

**REMARKS**

The FINAL Office Action of June 28, 2006, and the cited art have been carefully considered. The recognition of allowable subject matter in claims 2-5, 7-11 and 13 is gratefully acknowledged. The application has been amended to correct grammatical errors. The rejected claims 1, 6 and 12 have been canceled. Reconsideration of the rejection of the application is respectfully requested based on the amendments and following discussion.

**OBJECTIONS:**

Claims 1, 2, 3, 6, 7 and 8 were objected to for a grammatical error.

Allowed claims 2, 3, 7 and 8 have been amended.

Rejected claims 1 and 6 have been canceled.

**REJECTION 103:**

Claims 1, 6 and 12 were rejected.

Claims 1, 6 and 12 have been canceled.

All the remaining claims are allowable. It is believed that a full and complete response to the Office Action has been made, that the Application as amended is patentably distinct over the cited art, and that the case is now in condition to be passed to issue. Reconsideration of the amended application is therefore requested, and an early favorable notice of allowance is courteously solicited.

Respectfully submitted,

By: William E. Meyer

William E. Meyer
